## APPLICATION FOR ASSOCIATE MEMBERSHIP

VMR Jacobs Well Associate Membership covers you for breakdown assistance for all areas south of the northern tip (Potts Point) of Macleay Island to the North Arm of the Coomera River, including the Logan, Albert, Pimpama Rivers and Jumpinpin Bar. Our extended coverage includes areas north to Bribie Island and south to Southport and Point Danger under the Terms and Conditions of our VMR Southern Zone Extended Service Agreement.

Offshore (ie: offshore from North & South Stradbroke and Moreton Islands) assistance is available at the discretion of the Resource Controller and under the advisement of the Gold Coast Water Police. Offshore assistance may incur a cost. Free Inshore coverage consists of towing (breakdowns or fuel), soft groundings and jump starts. In the event of a tow being required, we will tow you back to your point of departure that day or the nearest safe harbour; whichever the Duty Skipper deems appropriate on the day. Harbour to harbour tows for maintenance or repairs are not covered and are classed as a commercial job. Please contact the base to discuss the job.

Search and Rescue, Qld Ambulance First Response Activations, Police Activations and Medical Evacuations are our primary role.

Activations for people or vessels in genuine distress will not be charged, members or non-members.

Midweek crews operate from 0600 hours to 1800 hours Monday to Friday. After hours a delay may occur in responding.
